

Attention Heights Artists!

The PTO is looking for artwork for the
2019-2020 school directory.

For your artwork to be considered:

- ✧ You must currently be a K-5th grade student at Heights.
- ✧ The theme of your drawing should reflect Heights Elementary School or the school's hedgehog mascot.
- ✧ Your drawing should be on 8½ x 11 white paper, and the page orientation should be portrait.
- ✧ Your drawing must be two-dimensional and original.
- ✧ You may only submit one drawing per student.

Please print your name on the BACK of the drawing and submit it in an envelope marked "PTO Directory Art" by Tuesday, September 24th.

We will try to include as many drawings in the Directory as possible. One or more drawing(s) will be chosen for the front cover (in color) and back cover (in black & white). Other artwork will be featured throughout the inside pages of the Directory. Drawings will be electronically scanned and resized as necessary. Once submitted, the drawing becomes property of the PTO and will not be returned. The PTO reserves the right to correct the image for spelling or grammatical mistakes, if necessary. By submitting the drawing, you are giving the PTO permission to print the drawing along with your child's name and grade.
